

# SUMMARY

## What is Every Choice?

*Every Choice* is a video-based, research informed online learning program that is designed to reduce sexual assault, dating/domestic violence, and stalking on college campuses through a focus on bystander intervention.

## Why should I implement additional activities?

A truly effective prevention strategy must be comprehensive and reinforced through most areas of student life. You can help reinforce the message of *Every Choice* through integrating activities, discussions, and reminders provided in the *Every Choice* toolkit.

## Where can I get more information?

Contact the office/person responsible for disseminating *Every Choice*. Most likely, it will be the office that sent you this material.
