HEALING SPACES

Ruth Kahssai, Director of Justice and Equity, USG, and Dr. Maria Bruno, Executive Director of Belonging and Inclusion, DSL, have created space for students, faculty, and staff who identify within the African Diaspora. Our aim is to create space for open and brave conversation, to listen and share in community as we process national events, and provide a platform to hold each other up.

Bi-weekly on Fridays, Starting June 5, 2020 | 1:00–3:00 p.m.
