be safe, so when I saw
someone creeping on
drunk people at the bar...

**I grabbed the

When I saw that guy
dancing up on a
woman who wasn't
into it...

I found her friends

Stand up. Don't stand by.

When I saw my
friend trying to
take home
someone who
was too drunk...

**I told my
friend that
wasn't cool**

Stand up. Don't stand by.

when I saw
