

POSTER ACTIVITY

INSTRUCTIONS

Print off the 11x7 posters labeled "Direct" "Distract" and "Delegate". Hang them on a bulletin board prior to first session. Hang a large envelope on your door that says "What 'D' did you do?"

Instruct students at the end of every session that as they either do one of the 3 D's themselves or witness someone else doing one, to write it down and put it in the envelope. You will then post them on the appropriate poster. You can either write them directly on the poster or tape them as they are on the poster.

USE THESE POSTERS:
